Good Morning,

The only option I would suggest is to take her offshore Galveston to get bunkers.

I don't know of any other options if she is too deep for bolivar roads.

Thanks,

Jade Irvine

Subject: Suez Vasilis - Bunker Supply Houston

Good Day,

We we have the Suez Vasilis booked in to take bunkers at Enterprise Terminal on the 18th. But she is on the verge of running out of LSMGO.

She is draft restricted and can't take at Bolivar Roads, there are no layby berths that can facilitate her. I was wondering if there are any other options?

Many Thanks,

Alexander Petrou
